

WEAU Biosolids Training Announcement

Get ready for an exciting opportunity! The Biosolids Committee is thrilled to invite you to a special training and site tour focused on Enhanced Anaerobic Digestion. This event will take place at the North Davis plant, where you'll get an exclusive look at the ongoing MHP pilot project.

But that's not all—your training experience includes a delicious lunch! Don't miss out on this chance to learn and network. Register online at [WEAU.org](https://weau.org/), and remember, payment is due at the time of registration. Mark your calendars—the registration deadline is January 10th, 2025. See you there!

Date:	January 15, 2025
Registration Deadline:	January 10, 2025
Training Title:	Microbial Hydrolysis Process and Enhanced Anaerobic Digestion
