

WEAU Annual Conference Exhibit Hall Information

Exhibit Hall Open
April 23 & 24, 2025

The Dixie Center
1835 Convention Center Drive, St. George Utah 84790

HELLO VENDORS! Please consider purchasing booth space in the exhibit hall for the 2025 Water Environment Association of Utah Annual Conference. The exhibit hall will be set up like previous years with some slight modifications to increase the number of available booths inside the exhibit hall to provide you with numerous opportunities to make contact with our water quality professionals. Some of these opportunities include serving break snacks, drinks, and coffee in the exhibit hall, providing you, the exhibitors, with raffle tickets to pass out to those who visit your booth, opening the exhibit hall early for setup so that you may attend the golf tournament, and reminding attendees that exhibitors are available all day.
